## Local Dental Practices Rebrand and Change Name

SIOUX CITY, Iowa July 15, 2020 - Lakeport Dental Care, Knopik Family Dentistry and Elk Point Dental Care, a locally owned dental group in Siouxland, has announced they will begin operating under a new name and will now be known as The Dentist of Siouxland. Individual offices will be known as The Dentist at Lakeport, The Dentist at Hamilton and The Dentist at Elk Point. This rebranding reflects the vision of the company to be the area's premier local dentist. Along with the name change, the company has updated their logo and website. The new website now serves all three locations and provides new and current patients easy access to all of their services, payment information and an avenue to meet the doctors at each location.

Dr. Craig Burhoop stated "Creating smiles in Siouxland is our mission and bringing all of our practices under one cohesive name and brand will help new and existing patients know they can expect the same level of excellent care at any of our offices. Our goal is to provide patients with the best dental experience in the area."
